

WE'RE GROWING *To Better Serve You!*

NEW FACILITY STATS:

- **8 Full Size Service Bays**
- **A Full Service fueling station**
- **20' awing on the exterior of all service bays to allow for additional technician workspace**
- **30' wide by 130' long covered Tire Service area located at the end of the shop**
- **Full length wash bay**
- **Training Center to provide OEM technician training in both a classroom and service bay setting**

COMING FALL 2021

Our newest McCandless facility is now under construction with an anticipated completion date in October 2021.

This facility will operate at **16504 E 32nd Ave in Aurora**, directly adjacent to our current McCandless Truck/Bus Center headquarters.

The facility will also allow for additional capacity and parking as we continue to grow to meet the needs of our customers.
